He took good care of that cookie tree every day. Though he took care of that tree, it still got sick one day. All the leaves and cookies fell onto the ground then dried out. He tried many ways to cure the tree. He even asked a woodpecker to check what was wrong with the tree.

It got weaker and weaker day after day, Cookie Monster was sad because there weren't any cookies in the tree. He was very hungry and angry. He sat under the tree and started to cry. His tears ran threw his face, his body, his foot and finally ran into the ground.

Suddenly, the leaves started to sprout, before long, the cookies were on the tree. Cookie Monster was happy, he could eat the cookies for breakfast, lunch, dinner and even snacks. He ate, ate and ate until he had a stomachache. The pain was so bad that it woke him.
