V. Read the Story

The Count and the Countess' Adventure

The Count and the Countess were zooming through space in their rocket when they saw a planet. "That looks like one wonderful planet. Let's go and see," said the Count.

When they landed, they saw Grover sitting on a park bench. "Hi, Grover!" greeted the Count. "What planet is this?" "It's Earth in the year 2100," said Grover. "Come with me. I'll show you our school. It's the biggest school in the city!"

They got to the school and there they saw a computer. "You can ask the computer any questions you want," said Grover. "OK. Who provided services in the Old West?" asked the Count. "The sheriff, the doctor, and the lawyer all provided services," answered the computer. "This computer is very good, Grover," said the Count. Grover also explained how the students used computers to learn new subjects in the school.

The next day, Grover took the Count and the Countess around the showed them many exciting things from the year 2100. They saw moving sidewalks, robots, and heli-taxi. They thanked Grover because he had been very nice to them. Then the Count said, "The year 2100 is great! But now we want ot go back home to Sesame Street."

Answer the questions in complete sentences (10 points)

1. Where did the Count and the Countess land?

2. Who did the Count and the Countess see when they landed?

3. How did the students in the school learn new subjects?

4. What did Grover show the Count and the Countess the next day?
