I'll show you around. It's the most beautiful place I have ever seen!" "The people use spears to hunt for fish and animals," said Prairie Dawn. "Really? What do they wear and how do they keep warm?" asked the Countess. "They use animal skin to make clothes and use fire to keep warm and cook food," answered Prairie Dawn. Prairie Dawn also explained how they used sticks to make fires.

The next day, Prairie Dawn showed the Count and the Countess many exciting things from the prehistoric village. They saw how the huts and clothing were made. Finally, they thanked Prairie Dawn.
